Ward County Extension Office

Through the 4-H program, we can provide youth the opportunity to learn and develop important life skills through a variety of hands-on learning experiences.

The 4-H Program has a variety of project areas for everyone’s interest. 4-H members participate in many activities which can include everything from food & nutrition to showing livestock.

District 6 4-H

Ward County 4-H is a member of District 6 4-H. Website: <https://d64-h.tamu.edu>

Is 4-H for You?

What is 4-H?

“4-H is a dynamic, youth organization that reaches not only across Texas, but the United States. 4-H provides a safe environment for kids between the ages of 8-18 to grow and develop life skills that will follow them into adulthood, 4-H offers learning experiences in such areas as animal, food & nutrition, shooting sports, and leadership through hands-on, fun, educational monthly club & project meetings.”

What Do You Do in 4-H?

4-H is all about offering hands-on experiences to youth, so they are able to “learn by doing”. Members participated in a variety of learning experiences called 4-H projects. These 4-H projects are a specific area of interest for that 4-H member. The best part about 4-H is some of these projects can be self-directed or done in group setting.

What Does 4-H Have For You?

With over 40 projects to choose from in the Texas 4-H program, there are opportunities for everyone interested.
